UNRWA is committed to achieving gender parity at all levels of staffing under the current UN-wide gender agenda and strongly encourages applications from qualified women.

UNRWA welcomes applications from qualified candidates with disabilities.

UNRWA, the largest United Nations operation in the Middle East with over 30,000 staff working across five areas of operation, is looking for highly committed professionals wishing to make a change.

UNRWA's strategic objectives

The mission of UNRWA is to help Palestine refugees achieve their full potential in human development under the difficult circumstances in which they live. In line with this mission, the Agency works towards five strategic outcomes: (a) Palestine refugee rights under international law are protected and promoted; (b) Palestine refugee health is protected and disease burden is reduced; (c) school-age children complete quality, equitable and inclusive basic education; (d) Palestine refugee capabilities are strengthened for increased livelihood opportunities; and (e) Palestine refugees are able to meet their basic human needs of food, shelter and environmental health. UNRWA is funded almost entirely by voluntary contributions from UN member states, regional bodies, business foundations and individual contributions.

Do you want to make a lasting difference?

If you are looking for a rewarding opportunity to make a tangible difference for one of the most vulnerable communities in the world, UNRWA would like to hear from you.

In this role, you will receive technical supervision from the Field Oral Health Services Officer and administrative supervision from the Head Health Centre (A) or (B) to which you are assigned.

In accordance with established Agency policy and procedures, the ideal candidate:

- Performs periodic oral examination of school children and provides preventive management as required, including pit fissure sealant application; conducts oral health screening for pre-school, school, pre-conception care, pregnant women and non-communicable disease (NCD) patients;
- Is responsible for providing oral and dental care services to registered refugees in the location to which s/he is assigned including minor dental surgeries and dental x-rays;
- Maintains infection control procedures in the dental clinic;
- Shares in the evaluation of the oral health programme in the location to which assigned, including collection of data through surveys and other means;
- Provides training and technical support to Maternal and Child Health (MCH) staff on the implementation of oral health preventive programme for mothers, infants and children;
- Ensures that all requirements for dental care, such as supplies, instruments and equipment are properly maintained;
- Promotes oral hygiene and participates in raising awareness and dissemination of proper information related to oral health;
- Performs such other duties as may be assigned.

Additional information

- The incumbent may be required to travel in the field and area of operation to which he/she is assigned;
- Possession of a valid driving license.

Conditions of service

- Basic Salary: Monthly basic salary \$1,885.00 and monthly dependency allowance up to \$123.25
- Contract Duration: Three years including 1 year probation period.
- Leave: 36 days of annual leave for staff attending UNRWA duty stations with six-day working week. 30 days of annual leave for staff attending UNRWA duty stations with five-day working week.
- Pension: Provident Fund contribution (15% of basic salary paid by the Agency)
- Other conditions of service and benefits may apply.

To qualify for this position, you will need:

Education	A university degree in dental surgery from a university recognized by the country of duty station; A valid license to practice dentistry in the country of duty station (where applicable)
Experience	At least four years' experience in dental treatment including dental surgery;
Language(s)	Good command of spoken and written English and Arabic.

Desirable qualifications:

- A degree and/or experience in Public Health preferably related to dental health care.

You will also need to demonstrate the following competencies:

- Ability to work under pressure and cope with heavy workload;
- Excellent organizational and communication skills;
- Self-motivated;
- Experience in the use of computers and an understanding of their use in health applications.

Equivalency

When the minimum requirements are not fully met, Field Director for Field Area staff and Director of Human Resources for Headquarters Area staff, in consultation with the concerned supervisor may exceptionally substitute part of the unmet requirements with a combination of relevant academic qualifications, additional professional training and progressive relevant work experience.

NB: Work experience alone or formal qualifications with no relevant work experience are not considered an acceptable combination

Who we are

For over 65 years, the United Nations Relief and Works Agency for Palestine (UNRWA) has been working on the ground in five fields of operations in Jordan, Lebanon, Syria, West Bank and the Gaza Strip providing direct assistance and protection for some 5 million Palestine refugees in the Middle East. UNRWA is mandated by the UN General Assembly to provide this assistance and its mission is to help Palestine refugees achieve their full potential in human development until there is a just and lasting solution for their plight. UNRWA restores safety, dignity and hope to millions who have been uprooted by conflict with services encompassing education, health care, relief and social services, camp infrastructure and improvement, microfinance and emergency assistance.

How to apply

To start the application process, applicants are required to register at <http://jobs.unrwa.ps> by creating a personal profile and completing UNRWA Personal History Form. Only applications received through <http://jobs.unrwa.ps> will be considered. **UNRWA only accepts degrees from accredited educational institutions. Due to the large number of applications received for UNRWA vacancies, only applicants short-listed for interview will be contacted by e-mail or SMS. No follow up phone calls will be made. Please ensure that the e-mail address that you will indicate in your Personal History Profile is accurate.**

The United Nations does not charge fees at any stage of the recruitment process. The United Nations does not concern itself with information related to bank accounts.

General Information

This vacancy notice is open to internal and external candidates.

Only candidates residing in Gaza with authorization to work in Gaza duty station at the time of application are eligible to apply. The Agency will not assume responsibility or accountability to support or facilitate the issuance of work permit in the duty station, and without a valid work permit, the appointment may be rescinded.

UNRWA is a United Nations organization whose staff are expected to uphold the highest standards of integrity, neutrality and impartiality. This includes respect for human rights, for diversity, and for non-violent means of dealing with all kinds of conflict. UNRWA staff are expected to uphold these values at all times, both at work and outside. Only persons who fully and unconditionally commit to these values should consider applying for UNRWA jobs. UNRWA is a non- smoking work environment.

The Agency reserves the right not to make an appointment, to make an appointment at a lower grade, or to make an appointment with a modified job description.

On appointment, all individuals will be asked to sign a self-attestation, confirming that they have not committed, been convicted of, or prosecuted for, any criminal offence and that they have not been involved, by act or omission, in the commission of any violation of international human rights law or international humanitarian law.

Date of issue: 13 January 2020
